Permission for Observation by Board Certified Behavioral Analyst

In order to assist your child's educational team with information needed to develop an appropriate educational plan, the district is requesting an observation of your child by a Board Certified Behavioral Analyst (BCBA). The role of the BCBA is to provide the educational team with data and suggestions based on classroom observations and the review of your child's educational records. After the observation and review of records has been completed, a meeting will be held to review the information provided with you and your child's educational team.

Please indicate below if you give your permission for this observation and review to occur. If you have any questions, please call Nicole Bullington at 815-683-2662 or you may contact her at bullingtonn@iroqsea.org.
