RE: IEP Related Service Logs

Dear Parent/Guardian

You are receiving this letter because you have a child with an IEP that may include related services. Iroquois Special Education will maintain related service logs that record the type and number of minutes the related service(s) administered to your child. Copies of any related service logs will be available to you at your child's annual review IEP meeting. You may request a copy of the related service logs at any time.

If you would like to receive copies of your child's related service logs, please send your written request to Nicole Bullington at the address above or at bullingtonn@iroqsea.org.

Sincerely,

Nicole Bullington
