YOUR RIGHT TO AN INDEPENDENT EVALUATION

Illinois Public Act 83-1291 guarantees you the right to obtain an independent evaluation if you disagree with the evaluation conducted by ISEA. We will provide you with a list of qualified independent educational evaluators compiled by the Illinois State Board of Education. If you decide to obtain an independent evaluation, you are required, under Illinois Public Act 83-1291, to provide ISEA with a written notice of your desire to obtain an independent educational evaluation.

A parent's right to a publicly funded Independent Educational Evaluation (IEE) is subject only to the district's right to request a hearing to show that its evaluation is appropriate, or an IEE of a student will be provided at public expense when requested by an impartial hearing office or if the parents disagree with an evaluation obtained by the school district and the school district either does not commence or does not prevail in a hearing commenced to show that its evaluation is appropriate.
